

VT HORIZONTAL TUB VIBRATORS

Vibe Tech VTHT Series Tub Vibrators

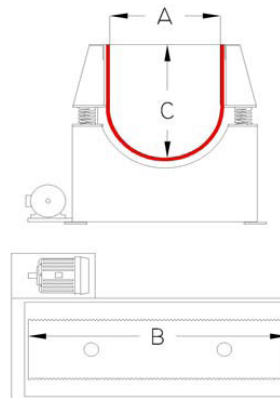

This style of finisher is ideal for batch processes of large parts, small quantities, or part-on-part applications. The offset drive and larger cross-section increases amplitude and accelerates finishing.

Features:

- Heavy-Duty double-row spherical roller bearings on main drive shaft
- Heavy-Duty welded construction
- Premium polyurethane lining (1" min)
- Extra large springs for durability
- Off-set drive delivers more amplitude
- Industry's best designed lubricated drive system

	Capacity (cu. ft.)	Motor HP	Lubrication System	Width [A]	Length [B]	Depth [C]
VTHT-1717	2.2	2.0	Grease	17.5"	17.5"	19"
VTHT-1736	4.5	3.0	Grease	17.5"	36"	19"
VTHT-1748	6.0	5.0	Grease	17.5"	48"	19"
VTHT-1760	7.5	5.0	Grease	17.5"	60"	19"
VTHT-1772	9.0	5.0	Auto Oil	17.5"	72"	19"
VTHT-1796	12.0	7.5	Auto Oil	17.5"	96"	19"
VTHT-17120	15.0	10.0	Auto Oil	17.5"	120"	19"
VTHT-2450	11.8	7.5	Auto Oil	24"	50"	26"

VTHT-36120	63.6	20.0	Auto Oil	36"	120"	38"

Options:

- Tub dividers
- Part carousels
- Double curved walls
- Media unload door
- Part discharge door
- Compound systems
- Sound covers
- Automation
- Variable Speed
